Project Based Learning

On Monday Year 6 invited parents in to share some of their learning about Mexico. They discussed if they would visit Mexico and explained why. They also made a traditional Mexican cuisine: guacamole. They shared this with their grown ups from home whilst they had a look through their books.

Year 4 shared their learning with parents based on the question 'What is the impact of our angry Earth?' Parents were given questions to check that everyone could remember the new knowledge. They showed off their amazing artwork.

It was so lovely to see so many parents.

Year 2 Penalty Shoot Out Game

Well done to all the children who scored a goal last Thursday and were then put into the prize draw to win a football.

We drew two winners in assembly on Monday and they were both very pleased with their prizes!
