

Safer Internet Day

2020 | Tuesday
11 February

Together for a better internet

Top 5 tips

- Don't click on links you don't trust
- Check your child's search history in case for bad websites.
- Make sure you always stay on secure websites
- Keep strong passwords for secure information and don't forget it if it's too weak anybody could hack in
- Don't talk to people you don't know because who knows who they can be?

Now stay safe everybody!
