

Learning Challenges

Engage

We will be learning all about ourselves to start us off with this learning challenge. We will be creating our own Marvellous Me! boards to showcase all the wonderful things about us - what we look like, how we've grown, what we are fantastic at, what we would like to learn...and anything else we can think of!

Develop

To continue with our learning journey, we will use the text *Once There Were Giants* by Martin Waddell to explore families and how every family is different, but very special. We will be thinking about how we change as we grow and how our families help us at home and at school.

We will also be learning about our school family - the people who help us in school.

Who will help me?

Learning Challenges

We will be using technology to record who they are and how they help us, and teaching our friends in our class what we have found out.

We will also explore our community - the place where we live and think about who lives in our community and how they might help us too.

Innovate

All the things that we have learnt about families, friends and communities will help us to show Grumpy Bear how he can be a good friend and help others in our community.

Express

To share with you everything that we have learnt during this learning challenge, we are going to create a video that you can watch - we'll upload it on to our website, and we hope you enjoy watching!

BUILDING LEARNING POWERS

Collaborating

Collaborating Colin will help us to learn how to work as a team together to help each other and to learn from each other.

Noticing

We will be stretching our noticing muscle to spot similarities and differences, and learn how noticing can help us make our brains grow.

Persevering

The Persevering Pirates will help us to think about how we can try again when things don't go well the first time, and how this helps us.

CHRISTIAN VALUES

Love - we will be thinking about what it means to love, be loved and show love. We will be looking at stories from the bible to help us understand more about what it means and how we can develop this value within ourselves.

ST GEORGE'S CE PRIMARY SCHOOL

Reception Reminders

Reading Folders - The children all have a reading folder in school. When we start to send reading books home, they will bring them home every day. Please return them every day.

Library books - Children have access to books every day in school - our class library is updated frequently and we read many stories throughout the day. We hope you all enjoyed the book that was sent home with your child, *The Runaway Pea* - we really enjoyed reading it in class!

PE kits - all the children have a PE kit on their pegs, which will remain in school. Please send in a pair of black PE pumps, with your child's name inside, which they can wear for our PE sessions.

Water bottles - water bottles can be sent into school daily, please ensure your child's name is on them so that they don't get muddled up.

Thank you for your support

The Reception Team
