

Year 1 Autumn Term Learning Challenge 2020

Successful Learners	Why is London Special?	Successful Learners
<p style="text-align: center;">Areas of Learning</p> <p>As Historians we will be looking at the language of time. We will be learning all about the Great Fire of London and finding out about the different sources that we can use to find more information about it.</p> <p>As scientists we will be looking at animals and learning how to group them depending on what they look like and what they eat.</p> <p>As Mathematicians we will be concentrating on adding and taking away accurately by saying "first we have ... then we have ... so now we have"</p> <p>As caring citizens we will be looking after our playground and taking care of the new areas made out of wood.</p>		<p style="text-align: center;">Areas of Learning</p> <p>As readers, we will be reading a book called "Maisie Goes To London" which links to our learning about London as she visits all the famous landmarks.</p> <p>As design technologists we will recreate famous landmarks in London by stretching our noticing muscle and using our imaginations.</p> <p>As information technologists we will learn how to use direction to programme robots to send them on routes without crashing into obstacles on their way.</p> <p>As Musicians we will be listening to different types of music and using adjectives to describe it and then to try to recreate our own.</p> <p>As Geographers we will be practicing using and giving directions by playing games outside and drawing maps.</p> <p>In Religious Education we will be learning about the Baptisms and how it feels to belong.</p>
	<p>Christian Values</p> <p>This term in school we are exploring the value of Friendship. We will be looking at stories from the bible to help us understand more about what it means and how we can develop this value within ourselves.</p>	
	<p>Building Learning Powers</p> <p>We will be continuing to learn about our meta-learning muscle - this is knowing ourselves as a learner ... do I like building or making things to learn how things work? ... Do I like to read things to learn about them? ... Do I like to work by myself or with others?</p> <p>We will also be collaborating with different people to help to embed our value of friendship.</p>	

ST GEORGE'S CE PRIMARY SCHOOL

Welcome back to Year 1

The children have all come back to school eager and ready to learn! Fantastic!

PE - Please can you make sure that your child brings their PE kit in school. The PE kit consists of red shirt, black shorts and black pumps. This will remain in school with your child's name clearly labelled inside.

READING BOOKS/LIBRARY BOOKS - Due to Covid and its restrictions, we are only sending reading books home once a week and then we quarantine them in school before putting them back on to the shelves. Please make sure your child's book is in school every **Friday** so we can then change it.

Water bottles - water bottles can be sent into school daily, please ensure your child's name is on them so that they don't get muddled up and it is **water** please.

HOMEWORK - the children will be given weekly homework to complete - when completed you can send a photograph to y1@st-georges-hyde.tameside.sch.uk

WEBSITE - don't forget to look at our class page on the website so you can see all the learning we do in school!

Thanks for your support

Mrs Strafford, Mrs Clegg, Miss Blair and Mrs Hall
(Year 1 team)
