### Our new value this term is Truthfulness & Honesty.

Please have a look and see what your child will be learning all about this term, all their new learning challenges are on their Summer 1 Class pages.

A reminder that it is a bank holiday on Monday 1st May, school will re-open on Tuesday 2nd May. We hope you enjoy the long weekend.

### Ethos Conference

Our Ethos Group were fantastic hosts for the 11 schools who visited St George's for our 2023 Ethos Conference.

Our theme was 'Our Spiritual Journey' and we had 4 workshops to explore, ourselves, our connection with others, our relationship with God and the world around us.

We had an amazing day, learnt lots and made lots of new friends.

### Eid Celebration Party Day

Everybody came in their party clothes on Monday to join in with the Eid celebrations lots of our families had been enjoying over the weekend.

We hope all of our families that were celebrating had a lovely time last weekend.

# Word of the Week

## Word Aware

Remember these challenges are small spoken tasks that do not require pen or paper. They just need you and some talk time, so easy to do on the way home or before bedtime. Get involved, have fun, and your child's vocabulary will grow! Ask your child what other words they have learnt in school this week.

### Word of the Week: Quiver

**Definition:** Shaking with small movements.

**Challenge:** What feelings might you be having if you are quivering?

## Family Learning

Seven of our parents have started the course run by Tameside Community Education in school around the skills needed in finding work.

The first session covered communication skills and qualities we can bring to work.

The next two sessions will be 15<sup>th</sup> 22<sup>nd</sup> May from 8.45-11am.

There are still spaces if you would like to join.

Diversity Matters Northwest have their new Spring Activity Brochure on their website.

You can also download a copy on our St George's Website under Parents and then Family Information.

They offer help with support projects, employment, health matters, and run training courses.

Please speak to them directly for more information:
