

Reminder

Please can parents continue to wear their masks at drop off and pick up times and maintain social distancing from each other. We have noticed a number of parents have stopped wearing masks but we need to be vigilant and carry on with the Covid measures we put in place.

Covid

Dear Parents/Carers,

Due to pupils testing positive for Covid-19 in Year 3 and Year 4 we have closed both bubbles as per the guidance from Public Health England. We carried out a full risk assessment and identified all those who have been in close contact with the affected cases and recommended they stay home and isolate until the date given.

We would like to take this opportunity to remind everyone to monitor their own health and that of their children, looking out for any of the Covid-19 symptoms and if they develop, isolating and booking a PCR test and informing the school.

Please continue to adhere to the National measures that are in place to help bring down the rapid transmission rates that this new variant of the virus is causing. Follow the rules to keep our community safe.

Thank you for your continued understanding,

Mrs. Hewitt.
