Tour of Tameside

2 pupils from St Georges carried the baton on day 5 of the Tour of Tameside relay. They received the torch of friendship and passed it on Bradley Green Primary. 47 schools have signed up to the event, coordinated and supported by The Running Bee Foundation, Tameside Council, The Believe and Achieve Trust, and the Tameside School Sports Partnership encouraging young people to enjoy running and exercise.

St Georges Song

Have a listen to our very own unique St George's School song. We have written this ourselves with the help of Mr Halligan.

Every class has been involved in writing the lyrics which include all of our Christian values. Listen out for them!

As part of **Fun, Friends and Fitness Week** some of our children got to try out their skills at archery followed by fitness training with Andy from Military Fitness.

Year 4 had a lovely walk along the canal and into Haughton Vale woods as part of our 5 ways to wellbeing. We were active, connected to the environment, took notice of the surroundings and gave time to our friends as we revised our learning about canals and rivers.

What have we been learning this week?

Collective Worship took place in the Spiritual Garden using our prayer bags. We reflected on what challenges we need to **persevere** with and chose an item from the bag to help us focus on our prayers.

Covid

Dear Parents/Carers,

Thank you for your continued support and understanding with the recent class closures.

We appreciate you getting your children tested with a PCR test and informing us of the results. This is helping to bring down transmission by those positive asymptomatic cases then isolating, and reducing the rates in our community.

Thank you to the children who have been working from home and joining us on Zoom and keeping up with their learning on Google Classroom.
