Welcome to Year 2. Your children have made a fantastic start this year, they have settled in brilliantly and are really rising to the challenge of year 2. It is going to be a very busy half term as there is lots to learn and lots of fun to be had by all.

READING- It is very important that your child is reading at home! The benefits of reading with an adult daily have a huge impact. Please ensure the children are bringing their reading books into school to change them every day. There is an insert inside their reading journals to suggest ways in which you can support their reading at home.

HOMEWORK- The children will be receiving homework each week. It will be set on a Friday and homework books should be signed by a parent and handed in before the following Wednesday so that they can be marked and prepared to be handed back on the Friday.

I try to be present on the Year 2 door every morning and evening so please feel free to speak to me about any issues or any concerns regarding your child's learning. I am looking forward to seeing your children progress this year, thank you for all your support.
