## Year 4

Year 4 have been enjoying playing each other's games they made for homework linked to their learning challenge of natural disasters.

Luckily the games were planned well and there were no disasters learning how to play them!

## Year 6

Year 6 delivered their showcase of learning all about their question 'Is there an answer to war?' They reflected on life during the Second World War and recalled some of the significant events that occurred. They 'wowed' everybody with their beautiful singing voices showing how they flourish as learners of St George's.

We are all very proud of you Year 6!

## Year 3—Interfaith Week

This week Year Three have been celebrating Interfaith Week. They have been looking at other faiths and making links back to Christianity.

They have been learning about Islam, Buddhism, Sikhism and Judaism today and understanding how they all link together through our shared values.

## Year 1—Baptism

We have been learning about Baptism in RE and know what it means to be welcomed into the Christian church family.

Jeremy very kindly showed us the font and special water in church and talked to us about the ceremony.

Dear God,

Help us to remember that you have no body, but ours.

No hands, but ours.

No feet, but ours.

Ours are the eyes through which you must look out with compassion on this world.

Amen.

# Word of the Week

## Word Aware

Remember the challenges are small spoken tasks that do not require pen or paper. They just need you and some talk time, so easy to do on the way home or before bedtime. Get involved, have fun, and your child's vocabulary will grow!

**Word of the Week is: Tremendous!**

tremendous

**Definition:** Very good, amazing.

**Challenge:** How many times could you find to use the word **tremendous**? Tell someone that their writing, drawing or acting is **tremendous** when they do it really well.

**“Train in great schools. Learn from amazing teachers.”**

Do you want to make a difference? Great teachers change young people's lives – and we're looking to train the next generation of great teachers.

## ARE YOU INTERESTED IN A CAREER IN TEACHING?

CDAT are now recruiting prospective primary school teachers to their School Direct programme, which begins in September 2022. School Direct is a training route for graduates who want to become qualified teachers, and all CDAT schools will be involved in providing training and school placements, working alongside our partners at Mersey Boroughs ITT and the University of Chester.

Our School Direct programme runs for a whole school year and leads to the award of Qualified Teacher Status (QTS) as well as a Postgraduate Certificate of Education (PGCE).

Trainees are typically eligible for help with funding their training: [getintoteaching.education.gov.uk](http://getintoteaching.education.gov.uk)

For further details of our School Direct programme, email us or visit our website – details below.
