IMPORTANT NOTES

Dear Parents/Carers,

Wow! How are we at this point in the year already?

This final half term is fun -filled and jam packed with lots of different learning opportunities as usual.

Please make sure PE kits are in for our lesson on Monday.

We will be talking a lot this half term about getting ready to move onto High School. We realise that this might be quite emotional for some of our children so please can you continue to support them and discuss any concerns they may have.

We will be working hard for our various performances and services this half term. Please keep an eye on Class Dojo for any dates and news of upcoming events. Your children love to have your support where possible at these final events in their primary school lives.

As always if you have any questions or concerns, please do not hesitate to contact one of our team.

Thank you for your continued support,
Year 6 team.
