

Year 4 Summer Term 2 2025

Successful Learners		Successful Learners
<u>Areas of Learning</u>		<u>Areas of Learning</u>
<p><u>As geographers</u> we will be learning about sustainability and how we can make a difference to our world. We will research alternative energy sources and see which country is the biggest polluter. We will have a NO ELECTRICITY day which will be fun!</p> <p><u>As scientists</u> we will be investigating electricity and working practically to design and make circuits.</p> <p><u>As mathematicians</u> we will look at time, shape, statistics, and position and direction.</p> <p><u>In RSHE</u> we will be looking at how we can be good citizens and how we can make a difference by the smallest act of kindness. We will look at feelings of jealousy.</p> <p><u>In art</u> we are learning about the artist Harry Rutherford who was a local artist. We will be imitating his style of landscape drawings using a selection of art materials and comparing them with David Hockney.</p> <p><u>In Design and Technology</u> we will be planning, designing and making a litter picker to be used around school.</p>	<h1>How can I be a good citizen of the world?</h1> 	<p><u>As readers and writers</u>, we will continue to develop our comprehension and vocabulary in all areas of reading and writing in a range of genres both fiction and non-fiction. We will read the book 'The Great Kapok Tree' and look at the messages which are shared through the characters. We will write persuasively making a link with our geography learning too.</p> <p><u>As information technologists</u> we will learn to use the chrome books to solve problems as a hardware investigator looking at all the different components of a computer.</p>
	Christian Values	
	Thankfulness, Honesty, Love, Hope, Forgiveness, Compassion, Friendship, Trust.	
	<p>We will be learning about wisdom. We will explore this value in our collective worship and during our learning challenge as we think about what being a good citizen means and how we can show respect to our world. We will learn about courageous advocates who have made a difference and make wise decisions to learn to be more like those.</p>	
	Building Learning Powers- Reciprocity, Resourcefulness, Reflectiveness and Resilience	
	<p>We will be resourceful as we make links with our learning and the new information given and learn in a variety of ways from experience, different media and looking at courageous advocates around the world. Children will show resilience as they consider how they can improve their sustainability at home.</p>	<p>In Religious Education we will think about the ways in which we can make a difference and make the world a better place. We will look at influential people who have made a positive difference.</p>
	Character development - Spirituality	
	<p>We will be guided by our beliefs and be willing to stand up for these. When we look at ways of preserving our world, we will appreciate the beauty of creation with awe and wonder. We will consider WWJD? as we write our final speech at the end.</p>	<p><u>In PE (Physical Education)</u> we will learn how to develop our athletic skills. We will practice throwing, jumping and develop our stamina for cardiovascular activities.</p>

IMPORTANT NOTES

We cannot believe that this is the last half term this year! Where has it gone?

We are off to the Recycling Centre in Sharston on Thursday 10th July which is a great trip. Normal school times and uniform will be required.

We have completed the Government Multiplication Tables Check during the first week back. I have been very impressed with everyone (including parents) for their focus on this over the year. Everyone has strived to achieve their personal best. Thank you so much for supporting this at home too.

HOMEWORK

Homework will be handed out each Friday and should be returned the following Wednesday. Please support and check your child's homework as much as you can and please sign it each week.

READING

Please make sure your child has their reading book in school every day and returns their library book regularly.

PE

Please make sure your child has a full PE kit (named!) in school including pumps or trainers so that it is readily available for lessons.

Thank you for all your support this year- you have been brilliant!

Miss Blair and Mrs Twinn
