

Successful Learners		Successful Learners	
Areas of Learning			Areas of Learning
<p><u>As mathematicians</u> we will use scales, measure mass in kilograms and grams and compare mass. We will use pounds and pence, convert pounds and pence, add money, subtract money and find change.</p> <p><u>As information technologists</u> we will sort objects using just YES/NO questions. We will complete a branching database using 2Question. We will create a branching database of the children's choice.</p> <p><u>As geographers</u> we will explain own views about locations, giving reasons. We will use maps, atlases, globes and digital/computer mapping to locate countries and describe features. We will use fieldwork to observe and record the human and physical features in the local area using a range of methods including sketch maps, plans and graphs and digital technologies.</p> <p><u>In R.E</u> we will know key stories in the life of David, we will know that David is a key figure in the Old Testament, and we will know that Christians believe that the nature of God is revealed in the Psalms. We will identify values that I think are important, we will connect values and Christian beliefs to events and teaching in the bible. We will ask important questions about the stories of David.</p>	<div></div>	<p><u>As writers</u> we will be studying different books and writing our own narrative from these as well as other genres. We will study author's skills and techniques and use this information to improve our own writing. We will focus on maintaining the correct tense throughout a piece of writing.</p> <p><u>As readers</u> we will continue to read and discuss an increasingly wide range of fiction, poetry, plays, non-fiction and reference or textbooks and read books that are structured in different ways and read for a range of purposes. We will recommend books that we have read to our peers, giving reasons for our choices.</p> <p><u>As scientists</u> we will explore rocks in the local environment, we will explore gravestones and how they differ and we will explore the nature and characteristics of different rocks. We will explore soil.</p>	
<p><u>Christian Values</u></p> <p>This term in school we are exploring the value of <b>Wisdom</b>.</p> <p>We will study the bible to find out about the importance of wisdom and then we will think how we can make wise choices in our everyday lives.</p> <p><i>'Blessed are those who find wisdom, those who gain understanding' Proverbs 3:13</i></p> <p><u>Spirituality</u></p> <p><b>Curiosity</b> - We will be developing our curiosity by answering our learning challenge and answering the question of 'Why would you visit Hyde?'. We will develop our imaginations and creativity through looking at Hyde and continue to develop our knowledge of how to consider each other's feelings and celebrate diversity.</p> <p><i>'And as you wish that others would do to you, do so to them.'</i> (Luke 6:31)</p>			
<p><b>Building Learning Powers</b></p>			
<p>This half term we are going to be more resourceful learners. In particular, we are going to stretch our capitalising muscle and begin to draw on different people, experiences, books and opportunities to enhance our learning. In our lessons, we will explore what can help us, who can help us and where we can go to deepen our understanding.</p>			

Dear Parents,

What a year we have had so far! The children have worked so hard, and we can't wait to stretch our learning muscles even further in our final half term.

### **Reading**

Your child will be given a reading book to take home as well as a reading book which is kept in school. Your child should be reading daily at home and recording it in their diaries. In school they will take part in daily reading sessions within their English lessons.

### **Homework**

Homework will be sent home on a Friday and is to be completed by the following Wednesday. This will link to work we have done in class, but children may need your support. Please also remember that reading and times tables need to be practiced regularly.

### **PE**

We will be doing PE on Thursday each week. Please remember to keep your PE kit in school so that it is available for lessons. Could you please check that your child's PE kit has their names in all items to reduce the chance of loss. We still do PE lessons outside in winter so your child may wish to bring a warmer top or tracksuit bottoms to wear in these lessons too.

### **Times Tables Rock Stars**

Please encourage your child to practice their times tables on Times Tables Rock Stars! If there are any log in issues, please let me know.

### **Earrings**

Please remember that earrings are not part of our school uniform, and they should not be worn in school.

Thank you all for your support during this last term. It was lovely to meet so many of you and chat about the wonderful work all of the children have been doing. I want to thank you all for welcoming me into Year 3 and making it such a wonderful experience at St George's.

Please come and see me if you need anything or have any questions.

Miss Copeland
