

## Year 3

Year Three presented their Collective Worship response to our value compassion yesterday.

They did a great job of reflecting on their learning and helping the rest of school to look forward and show compassion in different ways.

## Advent Challenge 1

In Afghanistan, more than 18 million people are in urgent needs of help.

It is quickly becoming the world's most dangerous place to live with thousands of families at risk.

Help support families in Afghanistan by donating:

- Food (dried products)
- Toiletries
- Nappies
- Baby formula
- Baby wipes
- New underwear
- New socks

## Advent Challenge 2

Last week we heard how cotton was produced and how Fairtrade helps the workers to get a fair price for their products.

Can you tell someone what you learnt.

Andy told us that there are over 4500 Fairtrade products. Write a letter to a local supermarket to ask them how many Fairtrade products they sell.

Can you persuade them to sell even more. Look in your cupboards at home, can you spot the Fairtrade logo? Can you persuade someone at home to buy a different Fairtrade product this week?

God of compassion, you came among us in a way people didn't expect.

You came to us in Jesus.

God of compassion, you come among us today in ways we don't expect.

You come to us where we are.

Help us to recognise you among us and welcome you afresh this Christmas.

Amen.

# Word of the Week

## Word Aware

Remember these challenges are small spoken tasks that do not require pen or paper. They just need you and some talk time, so easy to do on the way home or before bedtime. Get involved, have fun, and your child's vocabulary will grow! Ask your child what other words they have learnt in school this week.

vibrant

## Word of the Week is: Vibrant!

**Definition:** Vibrant colours are very bright and clear.

**Challenge:** What is the most vibrant piece of clothing that you own?

The Red Cross has a free Kindness Activity Pack for you to download at home. In the pack, you will reflect on the power of kindness through fun activities.

It also encourages you to do small acts of kindness each day to help your community, your family and yourself. Kindness can help us to cope with challenges and change. Being kind to others can help them cope better too.
