

IMPORTANT INFO FOR PARENTS

Keeping Children Safe When Walking Home

- * If you and your child do feel they're ready to come home alone, it helps to go over some rules about staying safe.
- * Make sure they know their address and your telephone number by heart, in case they get lost or have to navigate home from somewhere new.
- * If they have a mobile phone, remind them to fully charge it before leaving the house, and make sure they have all your contact numbers saved. Talk to them about road safety.
- * They should always look both ways before crossing the street, and never be on their phone whilst crossing a road.
- * Remind them never to accept a lift from someone they don't know, or let a stranger into the house. They should never give personal information away - in real life or online.
- * Remind them that if they feel unsafe or uncomfortable at any time, they can call you or a trusted adult.
- * If they ever feel like they're in immediate danger, they should call the police straight away on 999.

Stay & Play—Thursday 8:45-10:00

A reminder that St George's offer a Stay & Play session every Thursday morning. It is open to all our community and is a way to make new friends and let your child play with other children.

We sing, read stories, play with toys and have snack time together.

Parents, Grandparents, Carers are all welcome to come and enjoy this session for babies and pre-schoolers.

It is a wonderful way to help get your child ready for Nursery and School.

Year 4 - Learning Showcase on What Life was Like for the Anglo-Saxons!

We were delighted to have parents in school this morning to watch their Year 4 children showcase their learning on the Anglo-Saxons.

They were fantastic.

Welcome Back Parents!

After the half term break we would like to invite all our parents and carers back into school for Collective Worship on Wednesday in St George's church at 9am and for our Friday Celebration assembly at 9am.

We may still need to wear masks but we will issue more guidance when we come back.

WOW—Walking to School Challenge Activity for February Half Term

We are sending out sheets for the Wow walk to school challenge badge design competition. This year's theme, **Walk through time**, takes us back in time, as we explore millions of years of history on earth. If you could travel back in time, where would you go and what would you see? **Wherever your walk through time takes you, draw it!**

We would love to see as many designs as possible when we return from the half term break.

WOW badges are only 3cm, so simple designs without small details in them work best! . Trademarks, logos, images of Strider will not qualify for the competition . Winning designs will be digitally recreated, so you can use pencil, crayons or pens. For full details about the WOW badge design competition : livingstreets.org.uk/badgecompetition2022

COMPETITION ENDS FRIDAY, 18 MARCH 2022

Word of the Week

Word Aware

Remember these challenges are small spoken tasks that do not require pen or paper. They just need you and some talk time, so easy to do on the way home or before bedtime. Get involved, have fun, and your child's vocabulary will grow! Ask your child what other words they have learnt in school this week.

anticipation

Word of the Week: Anticipation

Challenge: When is the last time you felt anticipation? Describe how it felt in your body.
