

Year 2 Spring Term Booklet 2022

<p style="text-align: center;">Successful Learners</p> <p style="text-align: center;">Areas of Learning</p> <p>As geographers we will be comparing hot and cold places. We will compare our climate to the arctic. We will be comparing the human and physical features of the arctic to Hyde. We will learn to draw simple maps with symbols for a key and use the four compass points.</p> <p>As scientists we will be continuing to learn about 'Uses of everyday materials.' We will be exploring materials, describing their properties and learning to classify them.</p> <p>As mathematicians we will be learning to identify fractions of numbers and shapes and learn that all parts must equal a whole. We will also be learning to read clocks to the nearest 15 minutes.</p> <p>As readers we will be focusing on our fluency by relying less on phonics and decoding and more sight reading. We will begin making simple inferences from the texts we read.</p>	<h2 style="color: #4F81BD; text-decoration: underline;">How can we help protect the arctic?</h2> <div style="display: flex; justify-content: space-around; align-items: center;">   </div> <div style="text-align: center; margin-top: 20px;">  </div>	<p style="text-align: center;">Successful Learners</p> <p>As writers we will be learning to extend our sentences with a variety of conjunctions. We will be writing a letter and a detailed setting description of the arctic.</p> <p>As artists we will be exploring colours and using different mediums to find how to make desired colours and tones. We will be creating landscape paintings of the countryside.</p> <p>As information technologists we will be learning about questioning and how house computers and databases use questioning to define and provide information.</p> <p>As musicians we will be chanting rhymes and learning a new song.</p> <p>Religious Education we will be thinking about how symbols help us to understand the Easter story. We will think about why is Easter the most important festival in the Christian calendar.</p>
<p>Christian Values</p> <p>Thankfulness, Humility, Love, Hope, Forgiveness, Compassion, Friendship, Justice.</p>		
<p>Building Learning Powers-Resilience</p> <p>We will be exploring the value Humility. We will be learning what humility is and what it means. We will think about ways we can show humility, be humble and why it is important to be like this.</p>		
<p>We will be focusing on Reciprocity. We will be reflecting on our own skills, thinking about what we are particularly good at and what we are more challenged by. Understanding ourselves as learners will help us know where we should use more resilience and work hard to improve.</p>		

READING- It is very important that your child is reading at home! The benefits of reading with an adult daily have a huge impact. Please ensure the children are bringing their reading books into school to change them as often as possible! They can bring their reading books into school in their bookbags and change their books every day. Don't forget that we visit the library every Thursday too.

HOMEWORK- Setting homework on a Friday for the following Wednesday will continue but the children will now be given spellings to learn for the following Friday. Please make a note of these at home so they can still be practiced at home once the homework books have been handed in.

SPELLINGS- Please can you make sure your child is learning their spellings each week. It will be a huge support to their writing progress. Thank you.

Please feel free to speak to me or Mrs Cleggs about any issues or any concerns regarding your child's learning if necessary. It is great seeing the children enjoying year 2 so much!

Mr Burgess
