

Year 1 Summer Term 2 Learning Challenge 2022

<p style="text-align: center;">Successful Learners</p> <p style="text-align: center;">Areas of Learning</p> <p>As Geographers we will be learning about Antarctica and what it is like to live there. We will learn about the different animals that can be found there. We will also compare and contrast this environment to where we live now.</p> <p>As scientists we will be learning about plants and how they grow and linking this to healthy eating and the 5 Ways to Well-being.</p> <p>As Mathematicians we will be concentrating on finding halves and quarters of shapes and then knowing numbers up to 100: understanding how to put the numbers in order from largest to smallest and vice versa.</p> <p>As caring citizens we will be continuing our pledge to recycle paper and helping our friends in Reception to recycle plastic too.</p>	<h3>How is the UK similar and different to Antarctica?</h3> <div style="display: flex; justify-content: space-around;">   </div>	<p style="text-align: center;">Successful Learners</p> <p style="text-align: center;">Areas of Learning</p> <p>As readers, we will be reading a book called "The Emperor's Egg" and using this to find out information about Antarctica and then using this to extend our writing.</p> <p>As design technologists we will be printing and using different methods to attach cardboard and other materials to each other.</p> <p>As information technologists we will use Purple Mash to help us to create a story e-book.</p> <p>As Musicians we will be creating our own music linked to Antarctica and then working collaboratively to record it.</p> <p>In Religious Education we will be learning about how things were different when Jesus was alive and how things might have been similar.</p>
	<p>Christian Values</p> <p>The value that we will be focussing on this half term is WISDOM. We will be thinking about how making wise choices effect everyone in our class and in our school. We will also be listening to stories from the bible about wise people and what we can learn from those stories.</p>	
	<p>Building Learning Powers</p> <p>We will be focusing on becoming more collaborative with the other children in our class. We will aim to show empathy and understanding to others by linking this to our RE learning.</p>	

ST GEORGE'S CE PRIMARY SCHOOL

I can't believe we are in our final half term in year 1 ...

PE - Please can you make sure that your child brings their PE kit in school if it's not here already. If your child has outgrown their kit, please can you replace it with what is needed.

Reading Books/Library Books - our library day is still Tuesday, so all children will have a chance to visit and swaps their books. If you know you have a library book at home, please can you return them - thank you.

Water bottles - the children are loving having their very own water bottles to drink throughout the day. As the weather is hopefully getting warmer, the children's water will be topped up during the day, so they will never go without.

HOMEWORK is sent out every Friday to be in for Wednesday the following week! If you want to take photographs and send them to me so I can show the class on the big screen, then that would be brilliant - here's my email address y1@st-georges-hyde.tameside.sch.uk

Website - don't forget to look at our class page on the website so you can see all the learning we do in school!

Thanks for your support - you have all been fantastic!

Mrs Strafford, Mrs Khatun, Mrs Finch and Miss Finch
(Year 1 team)
