

Learning Challenges

Engage

A trip to the Eco Area at school will give us the opportunity to hunt for a variety of minibeasts and observe what they do and where they live.

Develop

The text Yucky Worms will help us to learn more about one of our favourite minibeasts - worms, but also learn more about non-fiction texts. We will have the opportunity to create our own mini information book using titles and headings. We will also explore different media to create our own worm art.

We will also use the story What the Ladybird Heard to find out

What if everything were black and white?

Why did God make minibeasts?

Learning Challenges

more about ladybirds, and also learn more about maps and how to create our own. We will also use the story The Greedy Bee to help us learn about pollination and why bees are so important in the world that God created.

Innovate

We will use what we have observed and learnt about our favourite minibeasts to create a habitat - labelling all the important things we have included in it.

Express

We will create a Bee Bomb to give to someone special, using our favourite bee friendly flower seeds to help someone else protect our pollinators.

BUILDING LEARNING POWERS

Collaborating

Collaborating Colin will help us to develop our ability to work as a team to help each other and to learn from each other - we enjoy team work and are getting so good at it!

Persevering

We will stretching our persevering muscle to improve the things we would like to get better at, and to learn that sometimes things can be tricky but to keep trying!

Noticing

We will learn how it is important to look carefully at similarities, differences and change - it can help us learn!

CHRISTIAN VALUES

WISDOM - we will be thinking about what being wise means and how we can show this Value to others. We will be looking at stories from the bible to help us understand more about what it means and how we can develop this value within ourselves.

ST GEORGE'S CE PRIMARY SCHOOL

Reception Reminders

Reading Folders - The children all have all been given a reading folder to help them carry all their wonderful artwork home, and to keep their reading book and library book safe. Please bring to school everyday.

Library books - Children have access to books every day in school - our class library is updated frequently and we read many stories throughout the day. We also visit the school library every Tuesday. Please make sure your child brings their library book back to school every Tuesday so that they can swap it for a different one.

PE kits - all the children have a PE kit on their pegs, which will remain in school. Please send in a pair of black PE pumps, with your child's name inside, which they can wear for our PE sessions.

Water bottles - water bottles can be sent into school daily, please ensure your child's name is on them so that they don't get muddled up.

PLEASE NAME ALL CLOTHING AND SHOES SO THAT THEY CAN BE RETURNED TO THE CORRECT PERSON

Thank you for your support
