

## Welcome back to school

I can't believe it is the final half term in Year Two! Thank you for all of your support this year, the children have been fantastic and it has been a pleasure for myself and Mrs Clegg to teach them this year.

### Home Learning

Please continue to remember, home learning is set on a Friday and is to be returned no later than Wednesday. Please support and check your child's homework as much as you can. It has been great to see the support and collaboration that has gone into homework this year.

### Reading

Please continue to make sure your child has their reading book in school every day and returns their library book on Thursdays. It is extremely important that children **read every day at home for at least 10 - 15 minutes** to develop a good fluency and understanding. Help by asking them questions and encouraging them to respond to their reading.

### PE

Please make sure your child has a full (named) PE kit in school including pumps or trainers so that it is readily available for lessons.

Thank you again for your continued support.

Mr Burgess

YEAR 2

Summer Term 2 (2022)

## Year 2 Summer Term 2 Learning Challenge 2022

Successful Learners	Successful Learners
<p style="text-align: center;"><b>Areas of Learning</b></p> <p><b>As Geographers</b> we will be learning about Bangladesh and what it is like to live there. We will compare and contrast this environment to where we live now. We will consider the main similarities and differences in the Physical and Human Geography between the UK and Bangladesh.</p> <p><b>As scientists</b> we will be learning about living things including humans. We will consider what animals need in order to live and how we can stay healthy.</p> <p><b>As Mathematicians</b> we will be learning to measure height, weight, length, capacity and temperature. We will also continue learning to tell the time accurately using an analogue clock.</p> <p><b>As caring citizens</b> we will be considering our 5 ways to well-being during fun, friends and fitness week.</p>	<h3 style="font-size: 1.5em;">What makes Bangladesh a special place?</h3>  <h2 style="font-size: 2em; color: green;">bangladesh</h2>
	<p><b>Christian Values</b></p> <p>The value that we will be focussing on this half term is WISDOM. We will be thinking about how making wise choices effect everyone in our class and in our school. We will also be listening to stories from the bible about wise people and what we can learn from those stories.</p>
	<p><b>Building Learning Powers</b></p> <p>We will be focusing on becoming more aware of our own strengths and weaknesses. We will aim to learn what we are good at and where we need to show more resilience to help us learn.</p>
	<p style="text-align: center;"><b>Areas of Learning</b></p> <p><b>As readers</b>, we will be reading a book called "Pattan's Pumpkin: An Indian Flood Story" and using this text to inspire our ideas and writing.</p> <p><b>As writers</b> we will be non-chronological reports about Bangladesh. To explain what it is like and how it is different to the UK.</p> <p><b>As information technologists</b> we will use Purple Mash to help us to create music.</p> <p><b>As Musicians</b> we will be thinking about how music can be used to express feelings. We will create our own tunes to express our feelings.</p> <p><b>In Religious Education</b> we will be learning about the church and other places of worship. We will consider Why is the church a special place for Christians?</p>
