## 13 March 2020

**'Let all that you do be done in love'** 1 Corinthians 16: 14

Our school day starts at 8.40 am when the bell goes for lining up in the playground

### SCIENCE DAY

We had a great start to science day with Mr Tabernor from Alder Community High school and his amazing science experiments. Did Miss Mees really sit on a bed of nails? And why didn't someone tell Mr Burgess that the balloon was full of water?

The children were inspired by the experiments they watched and enjoyed challenging activities back in their classrooms.

### FAIRTRADE

The Fairtrade coffee afternoon was a huge success with special visitors from St George's church, Central Methodist church, Martin from the Coop and lots of parents. We raised £178 – Thank you for your support! We hope we have encouraged you on your Fairtrade journey.

Year six have had an amazing morning learning history from a real-life source.

Mrs Rigby, our 100 year old visitor, gave a fascinating account of her job in the WAAF and what it was like to live during the Second World War.

The Inventor's Fair was a fantastic afternoon. Thanks to all the parents who attended to see the amazing creations the children designed. We definitely have some 'James Dysons' in the making!
