'Let all that you do be done in love'
1 Corinthians 16: 14

17 January 2020

Our school day starts at 8.40 am when the bell goes for lining up in the playground

Healthy start to 2020

We have had a focus on healthy eating with partnership with the Children's Nutrition Team.

We held a lunchbox workshop and got some good ideas. The Cook and Eat course is going really well and everyone is really enjoying cooking and trying new things. We also borrowed a light box from the Infection Control Nurses at the hospital to teach us to wash our hands properly to stay healthy.

Good to be Green

131 children enjoyed their session last week as a treat for a good half term last year. Christmas meant it was too busy to celebrate it in December.

There were team games in the Hall, ipads plus making and eating fruit and vegetable people.

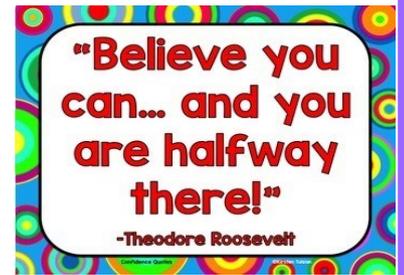

Manchester Museum of Science and Industry

Year One had a fantastic time at Manchester's Science and Industry Museum on Tuesday. We learned lots about the history of bikes and how they evolved. We saw a Penny Farthing bike and were shown how chains and cogs work together to help the bike to move! We then looked around the rest of the museum and saw some awesome planes and some very old cars!

Quarry Bank Mill

Year 5 visited Quarry Bank Mill in Styal to learn about life in the Victorian times and how the Industrial Revolution brought about so much change to manufacturing techniques and wealth. They had a great day and especially enjoyed being in role at the apprentice house. We soon established that life for children in the Victorian times was not as fair as it is now.

This is a wonderful opportunity to learn and develop your skills and confidence for FREE!

We have parents in school who started at Family Learning and have gone on to do Teaching Assistant Courses or further study. We celebrate their achievements and are pleased to have them working as playleaders, teaching assistants or in the kitchen. Other parents have gone on to find work in other places.

Making Story Time Fun is the next course on Monday 20th January in the Nursery Room from 9am- 10.45am. The course runs until Easter.

Playground Trophies for excellent behaviour this week went to Reception and Year one. **Brilliant!**
